## POSI-POST

Posi-Post is a removeable pedestal system with a 2-3/8" post, designed to maximize performance and stability.

## Feature choices

### Swivel Slide

Made with deeper throat and thicker casting for more support.

### Post

Keyed, sized, 2-3/8" post eliminates rotation and is easy to installation. Available with latch, and adjustable options. 33% thicker walls than competition.

### Bushing

Robust two-part machined bushing with center support that is held in with 4 screws. Provides tighter fit, no rust and won't become a trip hazard.

### Base

Base- Contains almost 10% more aluminum vs other manufactures and uses more reinforcing ribs and thicker walls for superior strength.

## Why Choose Us?

Our goal is to provide a premium product that solves common complaints of boaters. Strong, Stable, Smooth, Quiet, Convenient, this is how we:

### DELIVER THE EXPERIENCE YOUR BRAND DESERVES.

- ✓ Die sized post for less wobble
- ✓ More aluminum for strength
- ✓ Robust Machined Bushing
- ✓ Responsive Service
