

Transom Ladder

Invisible,
Quick & Easy,
Readily
Accessible

Key Features

- **Invisible Design:** When stowed, the ladder is fully concealed within the transom, with only a stylish faceplate and integrated locking mechanism visible, preserving your boats sleek lines.
- **Quick & Easy Deployment:** A one-handed tug on the release pin deploys the ladder instantly, whether from onboard or in the water. Traction-molded steps fold out to create a sturdy re boarding platform.
- **Compact Storage:** The entire ladder stows within the transom and hull, maximizing space efficiency.
- **Durable Construction:** Features an anodized aluminum channel body that deploys at a 15-degree angle for optimal boarding ease. Meets ABYC H41 requirements to support 400 lbs. on each step.

Specifications

- Part Number: TL-501 Description: Ladder, Telescoping, Retractable, Transom Mounted, 3 Step
- Tube Assembly: Length: 35" • Width: 3"
- Mount Plate Dimensions: 4" H x 4.5" W x 1.75" D

Why Choose Us?

Our goal is to provide a premium product that solves common complaints of boaters. Strong, Stable, Smooth, Quiet, Convenient. This is how we:

DELIVER THE EXPERIENCE YOUR BRAND DESERVES.

- ✓ Easy Install
- ✓ Strong and Light Weight
- ✓ Smooth Operation
- ✓ Responsive Service
