

Rev 4

POSI-PIN

Posi-Pin is a removeable pedestal system with a 3/4" pin, designed to maximize performance and stability.

Now with all stainless steel formed down tube, no nut!

Feature choices

Post

Available in both fixed and adjustable heights.
Finished in anodized aluminum, bright-dipped anodized aluminum, or stainless-steel tubing.

Pin

Interrupted thread design allows post to swivel freely.
No weight on threads.
Allows water to pass freely.
Also available in non-threaded.

Bushing

Machined brass bushing eliminates common cracking issues. Also available in Nylon.

Base

Available sizes 4"x8", 7"x7", 6"x8", & 6"x12" (2 hole) in E-coated, PC black crinkle, and stainless material (polished or brushed).

Why Choose Us?

Our goal is to provide a premium product that solves common complaints of boaters. Strong, Stable, Smooth, Quiet, Convenient, this is how we:

DELIVER THE EXPERIENCE YOUR BRAND DESERVES.

- ✓ Responsive Customer Service
- ✓ Short Lead Time
- ✓ Lifetime Warranty
- ✓ Premium Solutions
