

Fixed Height Pedestals

Fixed height pedestal system uses a 2-7/8" or 3.4" post, 9" or 12" bases, designed for stability and quiet operation.

Feature choices

Swivel Slide

Locking & non-locking swivels, & slide/ swivels. Uses machined bushings for reduced wobble. Slides provide 5" of smooth travel using center rail design.

Post

2-7/8" or 3.4" posts, optional heights. Thick-walled anodized aluminum, strength & corrosion resistant. Swivel stop available to eliminate potential contact between seat and engine controls.

Base

Post is pressed in and flared, insuring 100% contact between the post and base, eliminating squeaks. Base sizes & styles including low profile 9", standard 9" and 12".

Options

Available in a variety of finishes-clear anodized, bright dip anodized or black hard-coat anodized.

Why Choose Us?

Our goal is to provide a premium product that solves common complaints of boaters. Strong, Stable, Smooth, Quiet, Convenient. This is how we:

DELIVER THE EXPERIENCE YOUR BRAND DESERVES.

- ✓ Responsive Customer Service
- ✓ Short Lead Time
- ✓ Lifetime Warranty
- ✓ Premium Solutions
