POSI-POST

Posi-Post is a removeable pedestal system with a 2-3/8" post, designed to maximize performance and stability.

Feature choices

Swivel Slide

Made with deeper throat and thicker casting for more support.

Post

Keyed, sized, 2-3/8" post eliminates rotation and is easy to install. Available with latch and adjustable options. 33% thicker walls than competition.

Bushing

Robust two-part machined bushing with center support that is held in with 4 screws, resulting in a tighter fit. Virtually rust-free.

Base

Base contains almost 10% more aluminum than other manufactures and uses more reinforcing ribs and thicker walls for superior strength.
